## EDUCATION

---

- **Korea Advanced Institute of Science and Technology** Daejeon, Republic of Korea  
• *Bachelor of Technology - Computer Science* August 2017 - Present  
• *Courses: Data Structures, Introduction to Algorithms, Machine Learning, Introduction to Databases, Programming Language*

## SKILLS SUMMARY

---

- **Languages:** Python, JavaScript, HTML, CSS
- **Tools & Frameworks:** Git, AndroidStudio, Blender 3D, MySQL, Unity, Adobe Photoshop
- **Soft Skills:** Attention to detail, Writing, Problem Solving, Teamwork

## PROJECTS

---

- **Immi (Android Application):** Open source android application aimed for people in search of migrating to other countries. Daily updated database of thousands of cities with estimated costs of living/traveling, daily food/gas expenses, crime rate safety indexes, etc. **Tech: Kotlin, Android Studio** (November '18)
- **Glitchbound (Unity Game):** Unity based first person game seeing to take player across disorientating puzzle adventure navigating non-Euclidian space using outside of the box thinking. **Tech: Unity, C#** (December '20)
- **WAAT (Chrome extension):** A website user experience evaluation tool, aimed at raising general awareness of the accessibility of web-pages, and endorsement of owners towards better user interfaces. **Tech: Javascript, HTML, CSS** (November '21)
- **Minesweeper (Web-page):** A fully functional minesweeper game with a minor twist - a conventional coloring scheme is replaced with mono-colored numbers which change whenever a number has a correct number of flags around them. **Tech: Javascript, HTML, CSS** (March '23)

## HONORS AND AWARDS

---

- **Republican Mathematics Olympiad:** - Bronze January 2015; Silver January 2016; Bronze January 2017
- **International Zhautykov Olympiad:** - Bronze February 2016, 2017
- **Moscow Mathematical Multiathlon:** - 1st Place November 2016
- **International Tuymaada Olympiad:** - Silver July 2016
- **Leonard Euler Mathematical Olympiad:** - 2nd place February 2014
- **Silk Road Mathematical Olympiad:** - 3rd Place March 2016
- **International Mathematics Competition:** - Bronze July 2014

## CERTIFICATIONS

---

- **Responsive Web Design:** - March 2023
- **Javascript Algorithms and Data Structures:** - March 2023

## OTHER AREAS OF EXPERTISE

---

- **Photoshop:**
- **Clip Studio Paint:**
